

# One Week - Two Events!

Join us the second week of September for two must attend training opportunities.

## Better Together Collaboration Conference

The Better Together Collaboration Conference will introduce new thoughts, ideas and connections for enhanced collaboration in our community. Join the Community Foundation and La Piana Consulting to learn current best practices, lessons from the field and trends in collaboration.

Through presentations, facilitated discussions, and active participation, a framework will be provided for successful collaboration with other organizations, local businesses and community members.

## Are you looking for new board members?

The Community Foundation of North Central Florida will be hosting a free community workshop titled "Diversity & Inclusion: A Call to Action" on Friday, September 13 from 8:30 a.m. until 10 a.m. at the new Fairfield just off Archer Road. We will be joined by national expert Vicki

Clark from BoardSource who will discuss the importance of diversity in nonprofit leadership and the implications of inclusion. We encourage local organizations to bring members of their leadership team as well.

You can learn more about Vicki at [boardsource.com/vicky-clark.com/](http://boardsource.com/vicky-clark.com/)
